Dear Prime Minister Harper.

On behalf of ACCESS Association of Chinese Canadians for Equality and Solidarity, I write to you to allow the continued operation of the Supervised Injection Facility.

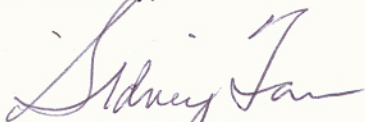

We are urging the federal government to renew its exemption on September 12 for the legal operation of this facility.

Research has shown that this facility is invaluable for the renewal of the surrounding neighborhoods, including Downtown Eastside, Chinatown and Gastown in Vancouver.

As well, it is also a cost effective way to prevent drug overdoses, the spread of diseases and unnecessary death and suffering.

We ask you please make the decision to renew the exemption.

Yours sincerely,

Sid Chow Tan, President
